storage for life

School Packs 1 and 2

Our Centurion units offer the perfect secure storage solution for all types of sports and play equipment and is already trusted by hundreds of schools nationwide. These units are built from tough galvanised steel and coated with a durable polyester textured weatherproof powder paint. A robust five point locking system and fully integral metal base are included as standard. For even more storage capacity see our Centurion Plus packs. The Centurion is approved by the Loss Prevention Certification Board (to LPS 1175 security rating 1) - *This may reduce your insurance premium.*

The Centurion Plus

School packs 1 and 2: The Centurion and Centurion plus

- Centurion storage units - 5 point locking and weighing in at an impressive 40 stone!
- Includes an integral full metal floor - For superior strength and security.
- Easy access slip resistant ramp - So the children can use it too.
- Two heavy duty shelves - Perfect for storing heavy items off the floor.
- Child friendly plywood subfloor - Sits on top of the metal base inside the unit.
- Set of ten extra strong hooks - Perfect for hanging heavy items.
- Full delivery and installation is included (including anchoring down to a secure base).
- Available in dark green, brown or ivory - to suit any environment.
- 10 Year Warranty - You can be sure this unit is built to last.

For extra depth try the Centurion Plus (pack2). The same great value pack as above, but an extra 1.1 metres of depth - That's over 3.3 metres in depth!

The Centurion:
 Height: 2032mm Width: 1524mm Depth: 2225mm Weight: 40.2 stone
Centurion Plus:
 Height: 2032mm Width: 1524mm Depth: 3317mm Weight: 52.8 stone

School Packs 3 and 4

The Gladiator units offer a secure storage solution for all types of sports and play equipment and is already trusted by hundreds of schools nationwide. Our Gladiator units are a little wider than the Centurion (for extra capacity). These units are built from tough galvanised steel and coated with a durable polyester textured weatherproof powder paint. A robust five point locking system and fully integral metal base are included as standard. For even more storage capacity see our Gladiator Plus packs.
