# ASGARD FEATURES

*Key features and benefits of Asgard products*

## **1. GALVANISED STEEL**

Every Asgard product is made from tough, galvanised steel. Making Asgard sheds secure and weatherproof.

## **2. LOW MAINTENANCE**

Unlike wooden sheds, metal sheds require very little maintenance – giving you years of trouble free storage.

## **3. 10 YEAR WARRANTY**

All Asgard sheds come with a 10 year warranty as standard.

## **4. NO EXPOSED SCREWS**

Asgard storage is built inside out - there are no exposed fixings or sharp edges making Asgard sheds both secure and safe.

## **5. EASY ASSEMBLY**

Asgard sheds come with simple step by step instructions for easy assembly. An installation service is also available.

## **6. PICK AND DRILL RESISTANT LOCKS**

Fitted to most Asgard storage units to provide the best possible security.

## **7. UNIQUE SHED VENTILATION**

A unique shed ventilation system is in every Asgard shed helping to maintain air flow inside and minimise condensation.

## **8. ACCESSORIES**

Asgard units are pre drilled for our accessory packs including shelving and hooks.

## **9. INTEGRAL METAL FLOOR**

Metal sheds from Asgard are the ONLY metal sheds with an integral metal floor. This floor adds even more security to the unit – you can also bolt them to the ground.

## **10. APPROVED STORAGE**

Asgard storage is Locksmiths approved, Insurance approved and industry approved!

## **11. MADE IN THE UK**

Every Asgard is designed and made right here in the UK and delivered and installation by our own staff.
